

FULL TWO-YEAR WARRANTY

KGS Electronics has designed, engineered and assembled its equipment with the finest workmanship, materials and components available. Each new equipment has been thoroughly tested and inspected before leaving the factory. KGS Electronics (referred to as KGS) warrants its equipment for two (2) years or 1800 hours whichever comes first, to be free of defects in workmanship and material under normal use for which it is intended. The warranty shall not extend past 30 months from shipment date. Warranty shall cover parts and labor only. This warranty does not cover damage caused by accident, misuse or repair by an unauthorized repair station. This warranty gives you specific legal rights; you may also have other rights which may vary from state to state.

For non-aircraft or non-dedicated equipment applications the warranty period is one year.

KGS will not be responsible in any event for any special or consequential damages arising out of or in connection with the existence, use or performance of its products. KGS reserves the right to repair or replace customers' units at its discretion and at any KGS authorized repair and/or exchange centers. KGS reserves the right to make improvements in the equipment heretofore manufactured.

- If your equipment requires adjustment or service of any kind, the following procedure is recommended.
1. Your KGS dealer is the most convenient facility to obtain service. He will be happy to assist you and/or arrange for the proper service of your equipment through the nearest Authorized KGS Repair and/or Exchange Centers.
 2. If you prefer to return your equipment directly to KGS, the address appears below.
 3. If the unit is to be returned to the factory, please call the factory at 626-574-1175 for return authorization.
 4. Equipment should be packed carefully with proof of date of purchase, shipped prepaid, and insured for its full value. Shipping charges must be prepaid by customer.
